March Meeting at New Site

The OAC has been looking for a new meeting sight for some time and in March we will give a potential location a **ONE TIME** trial run. The March meeting will be held at the **Messiah Lutheran Church, 3600 NW Expressway St, Oklahoma City, OK. Phone number: (405) 946-0681**. Go around to the back of the building to the gym where you will find a parking area and doors to the gym- no stairs, no ramps, so it should be easy in-easy out with our bodies and accordions. If you enter from the front you will have a very long walk. Keep in mind that this is a test run- this facility may or may not be what we seek as a permanent home. It is important that you be there! Your feedback, both good and bad, will be needed to make a good decision for the OAC.

Messiah Lutheran Church is located on the south side of NW Expressway off of Portland Ave. This is just west of I-44 at the exit near Baptist Hospital. See the map to find your best route. Access the church from the Portland side by turning east into the church parking lot. The lot wraps around the building.

Questions? Lost? Contact Dan Orza 326-1124, or Jackie 205-1013.

We are meeting at the letter "A" left side of the map off of Lake Hefner Parkway and Northwest Expressway. Near this intersection are Baptist Hospital, Macaroni Grill and On the Border Restaurants. It is also north of Deaconess Hospital on Portland.

How did it get to be March so soon?

Our next OAC meeting will be March 9th and we will be having a TRIAL NEW LOCATION meeting at the Messiah Lutheran Church. It is easily found on North Portland just south of Northwest Expressway. So it's easy to get to by getting off the Hefner parkway at Northwest Expressway at Baptist Hospital and going south on Portland. IT IS THE FIRST DRIVEWAY going south from NW Expressway. If you're coming north on Portland you will turn right (east) into the driveway 'just before you get to Northwest Expressway. You cannot miss it!!! The meeting will be a normal meeting with orchestra starting at 2:30pm. So come and rehearse at that time. The regular meeting time is 3:30pm.

We will have our Jackpot drawing for everyone who brings an accordion and who plays. And everyone is welcome to purchase Jackpots tickets. As in the past.... Someone will win all the cash in the Jackpot.

I encourage EVERYONE to COME AND PLAY his or her accordion. Even if it's a simple little song. The goal is to have everyone accordionist play 'something' no matter how short or how simply.... JUST PLAY. And we will 'Jam'.... And we will rehearse an Orchestra selection or two and perform it too. I'm still working TWO GUITARS and I plan to present it again – hopefully It will be closer to perfection.

NAA is March 13-15. Are you planning to attend? Have you call the Richardson hotel and made you NAA Accordion Convention Discount reservation? And have you made your NAA Reservations for the convention and banquets? If not do it now. The Board and I are trying to help you get together and car pool to save travel expenses. Call me (or email me) if you are going and can take some one – or if you need a ride.

The next Big Squeeze is
Sunday, May 18th
UCO Jazz Lab in Edmond.

The first show last October was a huge success! Our accordionists fulfilled our goal of bringing the accordion to the public with an impressive concert. The format will be the same: a superb show of talent in an exhibition of a wide variety of accordion music!

**Plan now to either
perform or attend!**

Note From The Editor....

You may have noticed that this issue is late; just as the January issue was late. You may also notice that it is a bit wimpy at only four pages, compared to the normally robust eight pages.

Your editor has had many "distractions" and appreciates your patience as these "challenges" cycle past and life eventually returns to some semblance of normalcy.

Issues of the Oklahoma Squeezin's more representative of our Club standards are in the future- as in next month, if life is less "unusual".

Thanks All.
You are the best!
